

Hungarian Language Learning Centre of Calgary
2021-2022 school year information

Dear Friends:

We are pleased to announce that we will resume Hungarian Language lessons for the 2021-2022 school year.

Due to Covid still being a part of our reality, we will be following a strict protocol to keep everyone safe.

1. We will be following a similar protocol as the Calgary School Boards
2. Students may only attend if they are well and symptom free
3. Everyone must sign in at the beginning of each class. In the event of the student testing positive for Covid, the teachers must be contacted immediately so that we can also contact the students that they were in contact with
4. Masks must be worn at all times, even for the kindergarten class, masks must cover the nose and mouth, please supply your own mask
5. We will be taking temperatures at check in and hands must be sanitized before entering
6. Students must bring their own water bottles
7. There will be no snack times
8. Parents will not be allowed to wait in the building while class is in session

Following is the registration fees for 2021-2022 school year. Because of the Covid pandemic we had missed our opportunity to receive Casino funding for the past two years. We have had no other income, school fees, donations for two years and our school is sadly in a dire financial state. We have had to raise our fees to help cover our costs and rent

1 child	\$100.00
2 children	\$180.00
3 children	\$250.00
4 children	\$300.00
adult online class	\$150.00

Please note that these fees are for first half year only

If any family is experiencing financial hardship we welcome you to contact your teacher for help in this matter

Fees may be paid by Pay Pal at

Thank you all for your understanding

We would like to inform you that our next Casino will be in the first quarter of 2022
