

BETHLEN GÁBOR
HUNGARIAN LANGUAGE SCHOOL

I was made aware of the Bethlen Historical Society at the Calvin Hungarian Presbyterian Church while searching the internet for Hungarian language classes.

I enrolled (at a very affordable cost) and have been attending since September 2019. The instructor is Eva Bezdek; she is very knowledgeable about the history of Hungary and very passionate about the culture and the language, which makes the class extremely interesting and enjoyable.

I would highly recommend this class to anyone.

Thank you to Bethlen Historical Society and especially to our instructor Eva, for keeping the Hungarian traditions, history and language alive.
